ERGONOMIC EQUIPMENT GUIDE

Platform Type: Standard
Keyboard Tray: HumanScale
Model# 2G 911 (R or L) G
Contract # [11227](#)
Price: \$171.00
Vendor: Creative Office Pavilion
Contact Information: (802) 660-7000

Description:

This is the most standard version of the HumanScale Keyboard tray. It is a fully adjustable platform. The mouse tray can be mounted on the left or right side. Keyboard trays are applicable to workstations where the employee's desk requires he/she to elevate the chair to achieve a neutral shoulder and wrist height while typing. The HumanScale tray allows the user to keep the chair height where he/she is most supported and the tray will adjust to the user height.

ERGONOMIC EQUIPMENT GUIDE

Platform Type: Natural Wrist
Keyboard Tray: HumanScale
Model# 2G 111 (R or L) G
Contract # [11227](#)
Price: \$171.00
Vendor: Creative Office Pavilion
Contact Information: (802) 660-7000

Description:

This version of the HumanScale tray accommodates a natural wrist keyboard. This is a fully adjustable tray. Keyboard trays are applicable to workstations where the employee's desk requires he/she to elevate the chair to achieve a neutral shoulder and wrist height while typing. The HumanScale tray allows the user to keep the chair height where he/she is most supported and the tray will adjust to the user height.
